SILVER SPADE

Used by Father McDermott to Break Ground for School Building.

Ground was broken Monday for the Immaculate Conception high school for boys, when the Rev. P. H. McDermott with a silver spade presented by the contractor, William Cain, of Elkins, threw the first shovelful of dirt in the presence of the building committee, Architect Edward J. Wood, Thomas Shaw, representing the contractor, and assistant priests. The assistant priests then threw a shovelful of dirt each. The points of the building were designated by American flags at all the corners.

NOTICE TO WATER CONSUMERS

All water consumers desiring to use a lawn or street sprinkler in connection with the domestic supply must first obtain a permit from the office, and any person or persons using city water without first obtaining such permit shall be liable to a fine of two dollars per day for every day said water is so used.

In sprinkling streets each water taker must confine himself to the number of feet mentioned in his permit. Nozzles larger than one-fourth inch will not be permitted, except upon additional charge, and sprinkling without a nozzle is forbidden.

Sprinkling streets and lawns is restricted to two hours per day, one hour between five and ten a. m. and one hour between 5 and 8 p. m. If a street sprinkler or hose is found out of order, leaking or used for any other purpose than that for which it was intended, the supply will be discontinued without previous notice.

Patrons who are paying for a sprinkler privilege will not be required to renew their permits. There is no fractional part of a sprinkling season, which runs from June 1st, to September 1st, inclusive.
